TEEN ADVENTURE CAMP

CAMP HANDBOOK

Program Locations:

BRISTOL EASTERN HIGH SCHOOL

TEEN ADVENTURE CAMP

Teen Adventure Camp is available to Bristol youth ages 12-15 years old. This travel camp will get your teen(s) engaged during the summer with weekly excursions and entertainment. This camp is the perfect opportunity for teens to participate in a variety of activities, make new friends, and create lasting memories.

WHERE

Teen Adventure Camp is held at the Bristol Eastern High School gymnasiums in Bristol.

WHEN

Teen Adventure Camp meets Monday through Thursday (rain or shine). Monday & Tuesday camp days will run from 9:00 am to 3:00 pm. Wednesday & Thursday camp days will run from 8:30 am to 6:00 pm.

WHAT

Camp provides boys and girls with the opportunity to participate in various activities including organized games, sports, arts and crafts, bowling, field trips and entertainment.

FEE

The Teen Adventure Camp fee is \$155 for the entire week. This program is available to Bristol residents only. Payment is due in full at the time of registration. Registration is accepted online at www.bristolrec.com or in person at the BPRYCS office (111 N. Main St, Bristol, CT 06010).

FROM THE SUPERVISOR

On behalf of the BPRYCS' Recreation division, I would sincerely like to thank you for choosing to be a part of our program. The Recreation division prides itself on offering a variety of inclusive programs that provide a fun and safe atmosphere. I would encourage you to review this handbook and familiarize yourself with our current policies. If you have any questions, please reach out to me at 860.584.6160 or amryshelby@bristolct.gov. We look forward to seeing you at camp!

DEPARTMENT MISSION STATEMENT

It is the mission of the Bristol Parks, Recreation, Youth and Community Services Department to deliver high-quality services and facilities that enhance the community's quality of life, meet the diverse needs of all citizens, and build a sustainable future.

CAMP MISSION

The Bristol Parks, Recreation, Youth and Community Services camp provides children with the opportunity to engage in fun and informative activities, while forming new friendships with other children and positive relationships with staff members. We encourage children of all abilities within the camp age range to participate in activities and experiences that strive to benefit participant's emotional, physical, and social well-being. Camp has become one of our most successful programs, packed with entertainment, trips, and special guests to keep all campers engaged.

BPRYCS STAFF

Our dedicated staff will be working harder than ever to ensure your child is safe and well cared for this summer. These individuals have been hired for their skills, talents, enthusiasm and love of children. Our summer camp staff are a mix of professional teachers, college education majors, and young professionals that enjoy working with youth. All staff are certified in American Red Cross First Aid/CPR. Staff go through extensive training including policies/procedures, customer service, and emergency preparation. We will strive for a 2:20 staff to participant ratio this summer. Safety is always our top priority. Our camp directors have work issued cell phones in which parents can call between the hours of 7:30 am and 4:30 pm. Please note that if there is no answer, they may be assisting with other camp related operations, so please leave a voicemail or send a text message.

GOALS

- Keep all children safe and happy while following all COVID-19 related guidelines and protocols.
- Encourage campers to develop new skills and work towards improving their performance at a given task.
- Help each camper gain a deep understanding of and appreciation for his/her own skills and abilities.
- Encourage the development of leadership skills in campers of all ages.

ATTIRE

Campers will be involved in many activities including; arts & crafts, running, playing, and water activities. Sneakers are required. Please send a towel and bathing suit daily for water activities. Please label all personal belongings. BPRYCS is not responsible for lost, stolen, or damaged items. Any item that is brought to camp that is deemed inappropriate or used in an inappropriate manner, will be held by the Camp Director and returned to the parent/guardian at the end of the day. Please apply sunscreen to your child prior to arriving at camp, and remember to send them with waterproof sunscreen, SPF 30 or higher. Staff is not permitted to apply sunscreen to campers, so sending them with spray sunscreen works best. Any sunscreen sent to camp must be labeled with your child's name.

BEHAVIOR

Campers are expected to display appropriate and safe behaviors at all times during camp. Inappropriate Camp Behaviors include but are not limited to: bullying, threatening, use of inappropriate language or gestures, physical altercations including rock throwing, pinching, biting, punching, pulling hair, shoving, stealing, purposeful damaging of equipment, consistently not following directions, consistently disobeying or back talking camp staff.

DISCIPLINE POLICY

BPRYCS reserves the right to issue discipline that may include verbal warnings, written warning to guardian, multiple day suspension from camp, and depending on severity, expulsion from the program. No refunds will be issued for missed camps days due to behavioral issues. Please review the full discipline policy, available at www.bristolrec.com, with your child prior to attending camp. All children and guardians are required to sign off on our behavior policy.

DROP OFF/PICK UP

Curbside drop off and pick up will occur in designated outdoor areas. Participants and guardians must stay in their vehicle upon arrival at camp. Traffic flow signage will be posted at each facility and will be emailed to participants' families prior to the first day of camp. Vehicles will follow the traffic flow signage and proceed to the temperature check station. Drop off will run from 9:00 am to 9:15 am on Mondays and Tuesdays, and 8:30 am to 8:45 am on Wednesdays and Thursdays. If you need to drop your child off at camp outside the designated drop off time, please call the Camp Director when you arrive onsite and they will come out to meet you. At the end of the camp day, participants will be brought out in groups to their vehicle for pick up. Pick up will run from 2:45 pm to 3:00 pm on Mondays and Tuesdays, and 5:45 pm to 6:00 pm on Wednesdays and Thursdays. We ask those picking up to stay in their vehicles. If a participant needs to be picked up prior to the end of the day, please call the camp number provided and remain in your vehicle. Please bring a photo ID every day for pick up. Only authorized individuals on the pick up list with a photo ID will be allowed to take the child. Please be PROMPT for pick up. Please note if a child is not picked up after a reasonable amount of time, the Bristol Police Department will become involved.

DAILY SCHEDULE

There is no such thing as a typical day at camp! Our program is packed with games, sports, arts & crafts, and more. If you plan to arrive late to camp on a certain day, or you would like to pick your child up early, please contact the Camp Director to coordinate with the daily schedule.

WHAT TO BRING TO CAMP

Please send the following with your camper on a daily basis: water bottle, wear sneakers (no sandals at any time), and bathing suit/towel.

MEAL PROGRAM

BPRYCS has partnered with the Bristol Public Schools to offer meals to any child under the age of 18 years old participating in our program. Upon drop off, please let the counselors know that your child will be participating that day. We encourage children with allergies to bring their own food, as we cannot guarantee that all meals are allergy free. Please still provide your camper with water each day.

LUNCH & SNACKS

Despite our summer meal program, we encourage parents/guardians to send all campers with lunch, snacks, and water daily, particularly if your camper is a picky eater or has an allergy. Please label all lunches and juice containers. Please note that there is no opportunity to heat food for campers and there is no refrigeration available, so please plan campers lunches accordingly. At this time, Peanut butter items are allowed and we do set up an allergy free table. However, should certain foods be prohibited due to a air-bourne allergy, parents/guardians will be contacted prior to the week of camp.

RAINY DAY PROCEDURES

Camp is held rain or shine. We try to have as many outdoor activities as possible, even in marginal weather, so please have your camper dressed appropriately. On severe weather days, field trips and outdoor activities may be changed.

REFUNDS

Our camps are very popular and fill up quickly. Due to scheduling of field trips, we are unable to issue refunds. Please note that persons cancelling out of the program prior to the start of the session will receive a 50% credit. No credit will be issued after the start of the program. Refunds are only issued for medical reasons with proper documentation provided in a timely manner.

FIELD TRIPS

Depending on the week, campers will enjoy special field trips to exciting locations! This schedule is available on the "Theme Week Calendar." Campers are required to wear camp t-shirts on ALL field trip days for safety purposes. Please note that there will be no staff left behind at camp on field trip days, so all children must go on the scheduled trips. If you do not want your camper to attend a trip on a particular day, they will need to stay home from camp on said day. Please arrive on time for field trip days in order to ensure your camper will make the trip.

We do allow parents to send money for field trip days for special treats or to visit the gift shop. Please note that counselors cannot hold money for participants, and are not responsible if money is lost or stolen. It is also up to the counselors and Camp Director if time will allow for these elective activities on the trip. The camp's primary objectives are safety and the main activity planned.

The BPRYCS department includes extra time for travel on all trips, however, incidents can occur that could potentially cause delays in returning from field trips. We ask that parents are patient if buses are running late from a trip. If you have an urgent appointment or activity, please notify the Camp Director at drop-off or consider picking your child up from the field trip site instead.

SWIMMING

Campers will beat the summer heat with periodic trips to our park pools (weather and schedule pending). Certified American Red Cross Lifeguards are on duty at all times, as well as our camp staff to provide supervision. If your child does not want to swim, there will be additional pool side activities for them to partake in. In order to swim in the deep end of the pool, all participants must pass a swim test. All swim tests are administered only on Mondays, as the testing process can be extremely lengthy and requires additional staff participation.

BEFORE & AFTER CARE

New this year, Bristol Parks, Recreation, Youth and Community Services will be offering Before and After Care for each of our day camps. Participants are able to register for Before Care, After Care, or both if needed. The fee for our Before and After Care programs is \$10 per session for the week. If a participant signs up for both Before and After Care for the week, the total fee will be \$20 for those services.

The Before and After Care schedule for Teen Adventure Camp can be found below. Please reach out to Recreation Supervisor, Amry Shelby, with any questions.

Teen Adventure Camp Daily Schedule

Before Care (Monday & Tuesday Only): 8:00 AM - 9:00 AM

Teen Adventure Camp: 9:00 AM - 3:00 PM (Monday & Tuesday), 8:30 AM - 6:00 PM (Wednesday & Thursday)

After Care (Monday & Tuesday Only): 3:00 PM - 4:00 PM

ILLNESS OR INJURY

If your child is sick, please keep him or her home. Please report any communicable diseases promptly, i.e. COVID-19, Chicken Pox, Head Lice, Pink Eye, etc. to the Camp Director (refunds or credits are not given for missed camp days). If your child tests positive for COVID-19, please call the BPRYCS office at 860-584-6161. For more information on our Policies and Procedures regarding COVID-19, please see page 6.

If your child becomes ill or injured while at camp, the camp will first attempt to contact the parent/guardian. If we are not able to reach contact #1, then contact #2 will be notified and so on. Please inform your emergency contacts of their responsibilities and be sure they are readily available. If a life-threatening condition occurs, EMS will be contacted immediately, followed by the emergency contact.

MEDICATION

Staff cannot administer medication to campers. However, our staff can keep all medications in a lockbox, remind children to take medication and supervise self-administration. Parents must fill out the Camper Medication Authorization form contained in this booklet in order for their child to take medication at camp. All medication must be presented in their original prescription containers. All inhalers and epi-pens must have a medication form.

SCHOLARSHIPS

BPRYCS recognizes that families may be experiencing financial hardships in light of COVID-19 and other life events. If you are in need of financial aid, please contact our Youth & Community Services Supervisor, Stephen Bynum, at stephenbynum@bristolct.gov or 860.314.4690 for more information on the financial aid/scholarship request process. BPRYCS is committed to serving as many families in need as funding allows. Requests are processed on a first come, first served basis.

COVID-19 POLICIES AND PROCEDURES

Our department understands that the camps we provide are not only essential child care services, but also play a significant part in the development of a camper's mental and social skills. As mentioned throughout this handbook, safety is our number one priority. In order to continue offering our programs, we have implemented the following procedures in regards to COVID-19 based off the Office of Early Childhood guidance. Should you have any questions regarding these policies and procedures, please don't hesitate to reach out to the Bristol Parks, Recreation, Youth and Community Services office at 860.584.6160.

TRANSPORTATION

- Prior to providing transportation at the start of the day to any child, such children shall be screened for any observable illness.
- While transporting children in care, the current guidance regarding group size, the wearing of a mask or cloth face covering and social distancing apply.

HEALTH SCREENING

All staff and children are required to be screened for any observable illness, including cough or respiratory distress. When conducting screenings, BPRYCS will consider the following:

- Staff shall wash hands and wear face coverings.
- Ask the parent/guardian to confirm that the child does not have a fever, shortness of breath, or cough.
- Make a visual inspection of the child for signs of illness which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness.

MASK POLICY

Updated Mask Policy (as of 6/1/2021): Staff, vaccinated or unvaccinated, are not required to wear masks while outdoors. The requirement for staff, vaccinated or unvaccinated, to wear masks indoors in child care and youth camps will continue in accordance with Office of Early Childhood (OEC) memos.

Children 3 years of age and older in child care and youth camps must continue to wear masks indoors, with exceptions provided for children, including those with documented medical conditions, disability or special education needs; who are eating, sleeping, or resting. Children 3 years of age and older in child care and youth camps are not required to wear masks while outdoors.

STAFF PROCEDURES

- Staff members reporting to camp will don their masks prior to entering the facility and will be screened by the Camp Director. The Camp Director will make a visual inspections of the staff for signs of illness, which includes flushed cheeks, rapid or difficulty breathing, fatigue or extreme fussiness.
- Wearing disposable gloves, the Camp Director will take staff temperatures with a non-contact thermometer.
- The Camp Director will ensure that staff are wearing their face coverings.
- Staff must notify the Recreation Supervisor of any out of state travel that could increase exposure.
- Staff must report any child feeling sick to the Camp Director or the Recreation Supervisor immediately.

CAMP PROCEDURES - HEALTH CARE

- No parents/guardians will be allowed in any camp facility.
- Participants or staff who feel sick or display symptoms related to COVID-19 will be brought to a designated sick area immediately where a staff person will monitor them until a family member picks them up.
- Participants or staff with a suspected COVID-19 case will be sent home with a packet containing information on COVID-19 and suggested steps.
- In the case that a staff member, or site nurse, must respond to an emergency situation that requires contact with a participant, all efforts will be made to wear the appropriate PPE. If appropriate PPE is not available, or the situation requires immediate response, staff will appropriately address the situation with the circumstances present. The guardians will be made aware of potential cross-contamination when notified of the situation.

CAMP PROCEDURES - GENERAL HYGIENE

- BPRYCS will be implementing regular hand washing, for both staff and participants, with soap and water for at least 20 seconds or sanitizing using an alcohol-based hand sanitizer:
 - Before coming into contact with any child;
 - Before and after eating;
 - After sneezing, coughing, or nose blowing;
 - After using the restroom;
 - After coming into contact with any high-touch surfaces
- Participants are encouraged to bring their own hand sanitizer to camp. The use of alcohol-based hand sanitizers will be supervised by camp staff.
- BPRYCS will be implementing the following respiratory hygiene policies:
 - All staff will be required to cover coughs and sneezes with tissues or the corner of the elbow. Staff will be required to wash their hands or sanitize after coughing or sneezing.
 - Staff will encourage children, when appropriate, to cover coughs and sneezes with tissues or the corner of their elbow. Participants will be required to wash their hands or sanitize after coughing or sneezing. Soiled tissues will be disposed of in the designated non-touch container immediately after use.

CAMP PROCEDURES - CLEANING & DISINFECTING

- All tables, chairs, and high-touch surfaces will be disinfected every morning by the camp staff before participants arrive.
- All tables, chairs, and high-touch surfaces will be disinfected at the end of each activity implementing CDC best practices for multiple cleanings a day.
- High-touch surfaces, such as light switches, door knobs, and restrooms will be disinfected multiple times throughout the day. EPA standards apply to all products used. Cleaning and disinfecting efforts are required to be documented detailing time, date, and any notes of consideration.

COMMUNICATION POLICIES

- BPRYCS strives to provide the best possible communication between our department and our participants. In order to ensure that we have the most up-to-date contact information for your family, please make sure to confirm your contact information on your account and update online forms (General Health & Authorization Form, Pick-Up List, etc.) as needed.

- Steps:

- Visit www.bristolrec.com and log into your account
 - Click on [My Account](#)
 - Edit your contact information and select [General Opt-In](#) and [Cancellation Opt-In](#)
 - Click on your child's name
 - Scroll down to [Custom Forms](#)
 - Select [View/Edit](#) on the form you wish to update
 - Edit your form as appropriate
 - Click [Submit](#)
 - Repeat these steps for any additional children or forms requiring attention
- All participants and staff are required to self-report immediately if they are experiencing COVID-19 related symptoms, have tested positive for COVID-19, or have come in close contact with someone who who has tested positive within the last 14 days.
 - To self-report, call 860.584.6161. If no one answers, please leave a detailed voicemail indicating the name and contact information and a staff member will contact you as soon as possible.
 - Upon learning of any potential COVID-19 exposure, BPRYCS staff will contact the local Bristol Burlington Health District (BBHD). Secondly, the department will communicate with participants and staff about the possible exposure and appropriate procedure in the following order:
 - Same group
 - Same site
 - Other site
 - Due to the Health Insurance Portability and Accountability Act (HIPAA), our department is not able to disclose which child or staff member has tested positive for COVID-19.

DROP OFF/PICK UP

- Drop off and pick up will occur in the designated outdoor pick-up area outlined in this packet.
- Participants and guardians must stay in their vehicle upon arrival at camp. Traffic flow signage will be posted at the facility and will be emailed to participant families' prior to the first day of camp. Vehicles will follow the traffic flow signage to proceed to the temperature check station.
- Per state directives, all children are required to be screened for any observed illness, including cough or respiratory distress, and to confirm a temperature below 100 degrees Fahrenheit. Staff will take the temperature of participants using a non-contact thermometer before allowing entry to camp.
- Participants who have a temperature of greater than 100 degrees will be asked to remain in their vehicle for ten minutes. After ten minutes, the child's temperature will be taken again. If the child's temperature reads greater than 100 degrees Fahrenheit twice, they will not be permitted into the program per Executive Order 7Q.
 - Participants sent home from camp with a temperature above 100 degrees Fahrenheit can return to camp to provided a doctor's note is submitted stating they allowed to return.
 - Campers will receive a prorated credit for days missed because of a fever or suspected COVID-19 infection.
- Authorized pick-up individuals are required to bring a photo ID EVERY DAY for pick-up. Only authorized individuals on the pick-up list with a photo ID will be permitted to pick-up a child. This is for the safety of our participants. If the authorized guardian would like to add a name to the pick-up list, they can do so by completing the following steps:
 - Visit www.bristolrec.com and log into your account
 - Click on My Account
 - Click on your child's name
 - Scroll down to Custom Forms
 - Select View/Edit on the Pick-Up List
 - Edit your form as needed and click Submit
- At the end of the the camp day, participants will be brought out in groups to their vehicle for pick-up. We ask those picking-up to stay in their vehicles. If a participant needs to be picked up prior to the end of the day, please call the designated camp number provided on the first day of camp and remain in your vehicle. A staff member will bring the child to your vehicle.
- In order to reduce contact between staff and individuals picking up children, BPRYCS will be implementing an electronic check-out, in which staff will electronically record the time in which the child is checked out and will record the name on the ID of the person who picks up the child.
- Please be PROMPT for pick-up. The program ends at 3:00 pm sharp. Please note that if a child is not picked up after a reasonable amount of time and attempts have been made to contact the parent or guardian, the Bristol Police department will become involved.
 - Late fees may be assessed for repeated tardiness.

BPRYCS PROTOCOLS FOR POSITIVE COVID CASES

- In February 2020, COVID-19 was added to the List of Reportable Diseases. Cases of COVID-19 infection must be reported immediately to the Connecticut Department of Public Health and to the local department of health in the town of residence of the case-patient by telephone of the day of recognition or strong suspicion of the disease.
 - The COVID-19 report form is available on the DPH website at:
<https://dphsubmissions.ct.gov/covid/initiatecovidereport>
- Children or staff members who test positive for COVID-19 will not be allowed to return to a BPRYCS program until they have completed the isolation protocols outlined by the CT DPH. A child who tests positive for COVID-19 will receive a prorated refund for the time they are out of camp.
- Children or staff members who are determined to have close contact with the infected child or staff member will not be allowed to return to a BPRYCS site until they have completed the necessary quarantine protocols. A child who is unable to attend camp due to being deemed a close contact will receive a prorated refund for the time they are out of camp.
- Any sibling attending/working at camp of the infected child or staff member will be required to stay home from camp until the necessary quarantine protocols have been completed. A sibling asked to stay home from camp will receive a prorated refund for the time that they are out of camp.
 - Staff and participants in the same group of the above mentioned siblings will be monitored for symptoms but will be permitted to remain at camp.
- Other children or staff not in the same group as the infected child or sibling may continue to attend camp.
- If a household member of a participant or staff member tests positive for COVID-19, the camper or staff member will be required to stay home and complete the appropriate quarantine protocols before returning to camp. A child who is unable to attend camp due to the fact that a household member has tested positive for COVID-19 will receive a prorated refund for the time they are out of camp.
- Additional practices to those above may be followed in consultation with the local health department or the Connecticut Department of Health.
 - Our department in conjunction with the BBHD will determine the date of symptom onset for the positive case.
 - Our department in conjunction with the BBHD will determine if the positive case attended the program while symptomatic or two days before symptoms began.
 - Our department in conjunction with the BBHD will identify what days the positive case attended during that time period.
 - Our department in conjunction with the BBHD will determine who had close contact with the positive case at the program during that time period.
 - Our department in conjunction with the Bristol Public School Staff will conduct appropriate cleaning and disinfecting.

PROTOCOLS FOR POSITIVE COVID CASES (CONT.)

- Close off areas used by the person who is sick. Open outside doors and windows to increase air circulation in the areas affected.
- Wait up to 24 hours or as long as possible before cleaning or disinfecting to allow respiratory droplets to settle before cleaning and disinfecting.
- If more than 7 days have passed since the person who is sick visited or used the facility, additional cleaning and disinfecting is not necessary.

SYMPTOMS OF COVID-19 (CDC.GOV)

- People with COVID-19 have had a wide range of symptoms reported - ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:
 - Cough
 - Shortness of breath or difficulty breathing
 - Fever or temperature above 100 degrees Fahrenheit
 - Chills
 - Muscle pain
 - Sore throat
 - Loss of taste or smell
- Children have similar symptoms to adults and generally have mild illness. This list is not all inclusive, other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea.
- When determining when to seek emergency medical attention, emergency warning signs for COVID-19 should be monitored. If someone is showing any of these signs, seek emergency care immediately:
 - Trouble breathing
 - Persistent pain or pressure in the chest
 - New confusion
 - Inability to wake up or stay awake
 - Bluish lips or face
- This list does not contain all possible symptoms. Please call your medical provider for any other symptoms that are severe or concerning to you.
- Call 911 or call ahead to your local emergency facility and notify the operator that you are seeking care for someone who has or may have COVID-19.

CDC RECOMMENDATION FOR POSITIVE CASES

- The CDC recommends the following for positive COVID-19 patients (CDC.gov)
 - Isolate if you are sick. Isolation is used to separate people infected with COVID-19 from those who are not infected. People who are in isolation should stay home until it's safe for them to be around others.
 - Who needs to isolate?
 - People who have COVID-19
 - People who have symptom of COVID-19 and are able to recover at home.
 - People who don't have symptoms but have tested positive for COVID-19.
 - Steps to take:
 - Stay home except to get medical care.
 - Monitor your symptoms. If you have an emergency warning sign seek emergency medical care immediately.
 - Stay in a separate room from other household members, if possible.
 - Use a separate restroom, if possible.
 - Avoid contact with other members of the household and pets.
 - Don't share personal household items, like cups, towels, and utensils.
 - Wear a mask when around other people, if you are able to.
 - When you can be around others after you had or likely had COVID-19
 - I think or know I had COVID-19, and I had symptoms:
 - At least 10 days since symptoms first appear AND
 - At least 24 hours with no fever without fever-reducing medication AND
 - Other symptoms of COVID-19 have improved (loss of taste and smell may persist for weeks or months after recovery and need not delay the end of isolation)
 - I tested positive for COVID-19 but had no symptoms
 - 10 days have passed since the date you had your first positive test
 - If you develop symptoms after testing positive, follow the guidance above for "I think or know I had COVID-19, and I had symptoms."

HOTLINES

Bristol Health COVID-19 Hotline (860.261.6855) is available for residents to ask Bristol Health staff question regarding COVID-19.

Bristol All-Heart Hotline (860.584.6253) has been established for Bristol residents in need of social services or other support during this public health emergency.
